

Bake cupcakes, raise funds and change the lives of animals

Dear Family and Friends,

Do you love cupcakes? Do you want to help homeless animals? On [insert your event date here], you can do both of these!

I'm helping to raise money for the animals at the Oakville & Milton Humane Society for National Cupcake Day. Cupcake Day is a delicious way to help raise awareness and urgently needed funds to help homeless animals find new homes, support neglected or abused animals on their journey to have a second chance and find loving families, and help animals that need medical care.

You can help in two ways:

1. Come to the party, eat a cupcake and make a donation to help the animals.
2. If you can't come to my party, you can still make a donation if you want to help the animals. Go to <http://omhs.ca/fetch-cupcakes/> and click on donation (and write that it is for cupcakes).

100% of the funds collected will be donated to the Oakville & Milton Humane Society so not only will you enjoy a delicious cupcake, but you'll be helping homeless animals on their journeys to their new lives.

I really hope you'll support me and the animals!

Thank you!
