We are now accepting match making surveys for our adorable Pyrenees Mix puppies. If you are interested in adopting a puppy please read the following about our adoption process.

Please Note: Puppies will be selected for families based on compatibility. Families will be able to meet the puppy at a later date.

How the process works:

1. Fill out Match Making Survey which can be found online at: <http://omhs.ca/requirements-applications/> or pick one up at the Oakville & Milton Humane Society.
2. Please indicate on the survey if you prefer to adopt a Male or Female dog.
3. Email your survey to adoptions@omhs.ca, fax your survey to 905 845 1973 or hand it in person at 445 Cornwall Road, Oakville.
4. Surveys will be selected based on the best match for the family and the dog.
5. Best matched families will be called in to meet with an Adoption Counsellor to go over their Survey and discuss the next steps. All applicants will be notified either way.

The adoption fee for a puppy is \$400 which includes: age appropriate vaccinations, spayed/neutered, dewormed, flea treated and 6 weeks of free pet insurance from Pets Plus Us.
