The Oakville and Milton Humane Society houses all types of animals. Unfortunately, if your child has allergies to dogs, cats, small animals, or birds they will experience a reaction while in the shelter because of our air handling system. We will not be able to keep your child away from the specific animal that s/he is allergic to.

Does your child have any allergies or other medical conditions?

Does your child have any special needs and/or receive any assistance at school?
