# SCHOOL AGE PROGRAMS!

Crafts, Games and  
Animal Interaction!

2018 - 2019  
Professional Activity Days

The Oakville & Milton Humane Society is dedicated to promoting the human-animal bond through education, prevention and protection.

Our Professional Activity full- and half-day programs are designed to educate school-aged children on various animal-related issues. The education team uses fun and innovative games, crafts and animal interaction to emphasize kindness, compassion and respect for all types of animals. Children will walk away with the knowledge and skills needed to stay safe around animals.

This year, we are offering programs for **6 - 8 year olds** only. The half-day runs from 9:30am - noon, while the full-day runs from 9:30am - 3:30pm.

The cost is **\$30 for half-day** or **\$60 for full-day**.
