

Wish List

Many years of experience have proven that the best way to support the Oakville & Milton Humane Society (OMHS) is with a financial donation. This gives us maximum flexibility to obtain exactly what food, medicine and other items we need, when we need them. Your financial gift allow us to maximize our purchasing power by taking advantage of shelter discounts and bulk buying so that we can ensure all of the animals will continue to receive the top notch care they deserve.

If you would like to purchase items, please note that the items listed below are the only items we are able to accept. While we truly appreciate the thought behind other new products you might consider purchasing for donation, we need to restrict our list to those items that minimize the health and safety risk of those in our care.

Whether you are making a financial gift or donating any of the items indicated below, we sincerely appreciate your support. Please check this list often. It will be updated as our needs will change from time to time.
