

Kids & Critters Summer Camp

WHAT TO EXPECT:

• Animal Interaction

We can't always predict what animals will be at OMHS during camp, but we will make sure you spend time with cats, dogs, small animals and reptiles! Campers will also get to help take care of the animals in our education room (rabbits, rodents, etc.)

• Games & Crafts

We are fortunate enough to have a park next to the shelter, so we will be spending time outdoors (weather permitting). There will be indoor games and lots of animal-themed crafts every day!

• Education

Every day, we will be learning something new about the animals that we care for. We also have a number of fun and exciting guest speakers that will be visiting us each week.

AGE & SPACE REQUIREMENTS:

Campers must be between **6-12 years old**, and attend the camp week designated for their age group. There is no flexibility.

There is a maximum of **12 campers** per week. We are a small shelter, and we will be sharing our camp room with Leaders in Training volunteers, camp staff and animals, so spaces are limited!
