

Do you pride yourself on making a difference in the lives of others? Are you passionate about animals and animal welfare? The Oakville & Milton Humane Society is a registered charity that is committed to protecting and caring for animals.

We have an opportunity for an experienced and dedicated full-time Registered Veterinarian Technician (RVT) to join our team and work in a fast-paced, exciting, and growing organization.

The role is responsible for providing compassionate medical care to animals, both domestic and wildlife. An ability to examine and treat medical issues, exercise sound judgement surrounding the condition of wildlife as it pertains to rehab or humane euthanasia, perform routine lab tests and sampling, and maintaining medical records in our Shelter Software program are all key responsibilities of the role.

You will be working within a small team of RVT's and interact with all departments within the shelter, area veterinarians, foster parents, and members of the public. You will play an integral role in training new employees and provide valuable insight to the health and welfare of the animals within our care by way of update meetings and status reports.

The ability to work successfully in a team environment and build effective working relationships inside and outside the group is essential.

As our ideal candidate you have/are:

- A RVT diploma combined with a minimum of one (1) year experience
- Excellent treatment room skills
- Proficient in Microsoft Office
- Demonstrated ability and comfort level in handling animals of varying temperaments
- Excellent communication skills with the ability to work with varying personalities and disabilities
- Diplomacy, tact, and discretion when dealing with all matters
- A clear criminal background check
- Valid G driving license
- Reliable and flexible with the ability to work all shifts, including on-call support during training periods

If any of the above sounds exciting to you, we would love to hear from you!
