

# P.A. Day Programs

## GENERAL INFORMATION:

Our education team here at OMHS uses innovative games, crafts and animal interaction to help children gain a sense of understanding and empathy for all types of animals. We teach children the skills they need to stay safe around animals, both wild and domestic.

P.A. Day themes include:

- Cats and kittens
- Rabbits
- Reptiles
- Small animals
- Dogs and puppies

## HOURS & LOCATION:

This year, we are offering **half-day** options only. You can choose either the **morning** program from 9:00 am until 12:00 pm, or the **afternoon** program from 1:00 pm until 4:00 pm. At this time, we do not offer before and after care beyond these hours.

P.A. Day programs take place at the Oakville & Milton Humane Society. The address is **445 Cornwall Road** in Oakville.

## COST:

The half-day program is **\$45**. Spots will not be secured without completed registration forms and payment.

## AGE & GROUP SIZE:

All of our P.A. Days are for **6-8 year olds**.

Due to space constraints, there is a maximum of **10 children** in each session.

If the P.A. Day program you are interested in is full, please email us at [coe@omhs.ca](mailto:coe@omhs.ca) to be added to the waiting list for a cancellation.

## DATES:

Our P.A. Day program dates correspond with those outlined in the school year calendar for the Halton District School Board. For a list of specific dates and themes, please refer to our registration forms, or contact us for more information.

## ANIMAL INTERACTION:

During P.A. Days, children will have access to child-friendly animals that fit our theme. Attendees will not be volunteering cleaning kennels or interacting with shelter dogs.

**More questions?  
We would love to hear from you!**
