

Humane Heroes

ABOUT :

Humane Heroes is a chance for youth ages 13-16 to learn more about what we do at the shelter and about the animals inside. The program runs for 8 consecutive weeks. Each session is 2 hours long and consists of an hour of learning through lessons and interactive activities and an hour of volunteering. The hour of volunteering may include enrichment toy making, reading to the animals or animal socialization.

Youth will be able to put their time spent volunteering each week towards their community service hours.
